

OvaScience Announces Listing on OTCBB and OTC LINK

November 9, 2012

CAMBRIDGE, Mass. – November 9, 2012 – OvaScience, a life sciences company focused on the discovery, development and commercialization of new treatments for infertility, announced today that its common stock has been approved for quotation on the OTC Bulletin Board (OTCBB) and the OTC Market Group's OTC Link quotation system under the ticker symbol "OVSC". The Company expects that trading will commence on November 12, 2012.

About OvaScience

OvaScience is a life sciences company focused on the discovery, development and commercialization of new treatments for infertility. The Company's patented technology is based on the discovery of egg precursor cells (EggPC), which are found in the ovaries. By applying proprietary technology to identify and purify EggPCs, AUGMENT aims to improve egg quality and increase the success of in vitro fertilization (IVF). OvaScience's team of scientists, physicians and advisers includes recognized leaders in the field of reproductive medicine.

Forward-Looking Statements

Any statements in this release about our strategy, plans, prospects and future expectations, financial position and operations, and other statements containing the words "anticipate," "believe," "estimate," "expect," "intend," "may," "plan," "predict," "project," "target," "potential," "will," "would," "could," "should," "continue," and similar expressions, constitute forward-looking statements for the purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. Forward-looking statements in this release include statements about the quoting and trading of our common stock. Actual results may differ materially from those indicated by these forward-looking statements as a result of various important factors, including risks related to: our expectations regarding the regulatory approvals required for AUGMENT; the science underlying our two product candidates, which is unproven; our ability to obtain, maintain and protect intellectual property utilized by our products; our ability to obtain additional funding to support our activities; our dependence on third parties; the successful development of, and ability to obtain regulatory approval for, our product candidates; competition from others; and our short operating history; as well as those risks more fully discussed in the "Risk Factors" section of our most recently filed Quarterly Report on Form 10-Q. We anticipate that subsequent events and developments will cause our views to change. However, while we may elect to update these forward-looking statements in the future, we specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing our view as of any date subsequent to the date hereof.
